

# THE FLIPSIDE

**ASSIGNMENT:** Write a couplet, triplet, or quatrain about winter.

Santa, Santa, look at me.  
Don't you like my family?

**GRACE ALLEN**  
*First Grade*

Snow is swirling in the park,  
Swirling around in the dark.

**HARRISON COTTRELL**  
*First Grade*

Christmas, Christmas, all the night—  
All the snowing! What a sight!  
Breaking through the evening, light,  
Of the morning, oh, so bright!

**LIAM MAY**  
*First Grade*

Christmas is here,  
And you will be near  
To bring me some presents.  
I've been good all year.

**ELLIOTT ROMAN**  
*First Grade*

In December it is fun  
To play with all the snow.  
My friends will come and run  
And play with snow they throw.

**ISABELLA MANFUSO**  
*First Grade*

Snowy snow  
I can blow.  
Snowy snow,  
Watch me throw.

**NICHOLAS PHAM**  
*First Grade*

Snow is cold,  
And snow is white.  
Let your Christmas  
Be very bright.

**MAVERICK WILLIAMS**  
*First Grade*

Santa, Santa, look at me.  
I have been so good to my family.

**ELIZABETH DOLCE**  
*First Grade*

Santa, Santa, look at me.  
I am being as good as can be.

**ISABELLA FOURNIER**  
*First Grade*

The snow is falling,  
Falling to the ground.  
It is calling  
For me to run around.

**AVAN HASSANKHANI**  
*First Grade*

You can skate in the day.  
You can skate in the night,  
But please don't play  
On the thin ice, right?

**NICHOLAS BELLUCCI**  
*First Grade*

The air is frosty,  
So it is very cold,  
But it's nice and toasty  
In my blanket, I'm told.

**GABRIELLE MACASPAC**  
*First Grade*

**ASSIGNMENT:** Write a color story or poem.

Gold is the color of a first place medal. Gold is the color of the moon that comes out every night. It is the color of the sparkling stars. Gold is the color of the gleaming element of gold. Gold makes me feel as happy as can be because it's rare and hard to find.

**REGAN LUTZ**  
*Second Grade*

Blue is the color of blueberries you eat.  
Blue is the color of the ocean's feet.  
Blue is the color of a blue bird's wings.  
Blue is the color of the sky.  
Blue makes me feel happy and have a grin.

**MILES LERNER**  
*Second Grade*

Green is the color of prickly pine trees. Green is the color of wet grass. It is also the color of cucumber. Green makes me happy inside because it is the color of nature.

**MAX BARNARD**  
*Second Grade*

Red is the rose that grows from the dirt. Red is the real hot lava. Red is the color of the cherries you eat. Red is the apple growing on the tree. Red is the balloon soaring in the air. Red makes me happy because it is a symbol of courage!
